Property Details

This home is straight out of a design magazine! Welcome to the home at 2357 Shiny leaf Drive in beautiful Denver, NC! This custom 5 bedroom home is located in the Fairfield Forest neighborhood, a stone's throw from Lake Norman and close enough to great attractions (the US National Whitewater Center and Latta Plantation) to keep yourself busy! Nothing in this home has been overlooked... there is a first-floor master suite with spa-like master bath, 8" baseboards and extensive mouldings throughout, an open gourmet kitchen, screened porch, plus a private fenced yard with lots of great shade trees! Pick your mouth up off the floor and call our team today! 704-750-5417.

This custom home has been meticulously upgraded, decorated, and maintained. With an all brick exterior and courtyard style, sideload garage, 2357 Shiny Leaf Drive (in Denver, NC) is extremely inviting. Step inside... the two-story foyer boasts exquisite crown moulding and gleaming hardwoods which add to the home's appeal. The front area of the home has a study with a ceiling fan, crown moulding, neutral wall paint, and a large window. The hardwoods continue into the formal dining room which boasts extensive crown moulding and an attractive chandelier. A stacked stone, gas log fireplace is the focal point of the cozy great room, as is the dramatic coffered ceiling! Just gorgeous! It is open to the kitchen which adds to the flow of the home. The kitchen boasts antique white cabinetry, sparkling granite countertops, stainless steel appliances, a HUGE island with bar seating, recessed lighting, plus a designer chandelier over the breakfast table which looks out to the serene screened porch. Stepping out of the screened porch, there is extra deck space for your grill and head down the rear steps to an additional patio. The fully fenced yard is surrounded by mature shade trees which gives a wonderful sense of privacy! Head back inside and check out the main floor secondary bedroom, which is complete with full bath, and the luxurious master suite! Hardwood floors grace the floor, plus there is a DOUBLE tray ceiling, cooling ceiling fan/light, and great natural light floods the space from the many windows! The connected master bath is absolutely breathtaking! It possesses a vanity with dual square sinks and granite counter, ceramic tile flooring, plus a soaking tub and seamless glass stand-up shower! Three additional bedrooms are on the second floor of this home. They all possess neutral carpeting, ample closet space, and ceiling fans! (Keep in mind, the largest is currently being used as a fabulous bonus room.) One full bath is located on the second floor. A gorgeous home like this, with all of its upgraded features and light-filled spaces, will not last long! Call us today for a private tour. 704-750-5417.
